:: A new church in east Modesto ::

Bible-centered and relevant preaching.

You won't fall asleep during these sermons! We want to invite people to a true relationship with Jesus Christ, and to challenge them to grow deeper and share that relationship with others. You'll think, laugh, and be inspired to live what you learn.

Passionate, exciting and honest worship.

Our church wants to have fun and truly worship Jesus with our worship experiences – and to make all of life an act of worship. We will worship God through music, creative arts, and even media. Our worship is a place for broken people to find hope in Christ.

Excellent ministry for Children and Students.

We care about the next generation! Our children and students will learn the Bible, be called to live a personal faith, and have a lot of fun! Yes our church is fun! No more parents dragging kids to church – the kids might just be dragging the parents!

Supportive and encouraging Groups.

Our church loves people! Our Life Groups are places where you can grow and serve in connection with others, where you can be yourself, care for others, goof around, and go deep. And we eat together a lot, too!

Opportunities to use your God-given gifts to make a difference.

You are gifted! God is calling us to serve in the church and in the world – crossing our comfort zones, impacting lives, sharing the good news of Jesus and working for God's Kingdom and justice.

Covenant Grove Church is called through the power of God to transform religious and irreligious people into Fully Devoted Followers of Christ.
